**Town and Country Planning (Scotland) Act 1997 (As Amended)
Planning Etc. (Scotland) Act 2006**

DECISION NOTICE

**Change-of-use from office (Class 4) to residential (formation of 2 flats: Class - Sui generis)
and rear extension
1 Moray Place Nairn IV12 4BZ**

The Highland Council in exercise of its powers under the above Acts **grants planning permission** for the above development in accordance with the particulars given in the application and the following documents:

Document Type	Document No.	Version No.	Date Received
Site Layout Plan	190090.MILNE.03PP		17.07.2020
General Plan	190090.MILNE.05 PP		12.10.2020
Elevations	190090.MILNE/04(A)PP		12.10.2020

CONDITIONS AND REASONS

This permission is granted subject to the following conditions and reasons:

1. No development shall commence on site until a Construction Method Statement and Traffic Management Plan (including a routing plan for construction vehicles) has been submitted to, and approved in writing by, the Planning Authority [in consultation with the Roads Operations Manager]. The approved traffic management plan shall be implemented prior to development commencing and remain in place until the development is complete.

No works within or alongside any public road shall commence until appropriate permission (and Permits) have been granted by the Roads Authority.

Reason: In the interests of road safety, and that the works involved comply with applicable standards.

Dated: 18th December 2020

David Mudie

Area Planning Manager

PLANNING PERMISSION

Reference No: 20/02653/FUL

2. No development shall commence until a scheme for the storage of refuse and recycling wheelie-bins within the application site has been submitted to, and approved in writing by, the Planning Authority. The approved scheme shall thereafter be implemented prior to the first use of the development and thereafter maintained in perpetuity.

Reason: To ensure that suitable provision is made for the storage of waste and recycling bins.

Variations

During the processing of the application the following variations were made to the proposal:

1. Further detail added for the bathroom floor/ceiling detail, with black-out of the upper window-sash. Notation added to re-use the existing staircase in the new extension. Amended drawings received 12.10.2020.

Section 75 Obligation

None.

IMPORTANT INFORMATIVES

Please read the following informatives and, where necessary, act upon the requirements specified:

REASON FOR DECISION

The proposals accord with the provisions of the Development Plan and there are no material considerations which would warrant refusal of the application.

TIME LIMIT FOR THE IMPLEMENTATION OF THIS PLANNING PERMISSION

In accordance with Section 58 of the Town and Country Planning (Scotland) Act 1997 (as amended), the development to which this planning permission relates must commence within THREE YEARS of the date of this decision notice. If development has not commenced within this period, then this planning permission shall lapse.

FOOTNOTE TO APPLICANT

Listed Buildings

Both planning permission and listed building consent are required for these works. You are not authorised to commence development until you have both consents in place. Furthermore, both consents and any respective conditions must be read, and complied with, in tandem.

Initiation and Completion Notices

The Town and Country Planning (Scotland) Act 1997 (as amended) requires all developers to submit notices to the Planning Authority prior to, and upon completion of, development. These are in addition to any other similar requirements (such as Building Warrant completion notices) and failure to comply represents a breach of planning control and may result in formal enforcement action.

1. The developer must submit a Notice of Initiation of Development in accordance with Section 27A of the Act to the Planning Authority prior to work commencing on site.
2. On completion of the development, the developer must submit a Notice of Completion in accordance with Section 27B of the Act to the Planning Authority.

Dated: 18th December 2020

David Mudie

.....
Area Planning Manager

Copies of the notices referred to are attached to this decision notice for your convenience.

Scottish Water

You are advised that a supply and connection to Scottish Water infrastructure is dependent on sufficient spare capacity at the time of the application for connection to Scottish Water. The granting of planning permission does not guarantee a connection. Any enquiries with regards to sewerage connection and/or water supply should be directed to Scottish Water on 0845 601 8855.

Local Roads Authority Consent

In addition to planning permission, you may require one or more separate consents (such as road construction consent, dropped kerb consent, a road openings permit, occupation of the road permit etc.) from the Area Roads Team prior to work commencing. These consents may require additional work and/or introduce additional specifications and you are therefore advised to contact your local Area Roads office for further guidance at the earliest opportunity.

Failure to comply with access, parking and drainage infrastructure requirements may endanger road users, affect the safety and free-flow of traffic and is likely to result in enforcement action being taken against you under both the Town and Country Planning (Scotland) Act 1997 and the Roads (Scotland) Act 1984.

Further information on the Council's roads standards can be found at: <http://www.highland.gov.uk/yourenvironment/roadsandtransport>

Application forms and guidance notes for access-related consents can be downloaded from: http://www.highland.gov.uk/info/20005/roads_and_pavements/101/permits_for_working_on_public_roads/2

Mud & Debris on Road

Please note that it is an offence under Section 95 of the Roads (Scotland) Act 1984 to allow mud or any other material to be deposited, and thereafter remain, on a public road from any vehicle or development site. You must, therefore, put in place a strategy for dealing with any material deposited on the public road network and maintain this until development is complete.

Construction Hours and Noise-Generating Activities

You are advised that construction work associated with the approved development (incl. the loading/unloading of delivery vehicles, plant or other machinery), for which noise is audible at the boundary of the application site, should not normally take place outwith the hours of 08:00 and 19:00 Monday to Friday, 08:00 and 13:00 on Saturdays or at any time on a Sunday or Bank Holiday in Scotland, as prescribed in Schedule 1 of the Banking and Financial Dealings Act 1971 (as amended).

Work falling outwith these hours which gives rise to amenity concerns, or noise at any time which exceeds acceptable levels, may result in the service of a notice under Section 60 of the Control of Pollution Act 1974 (as amended). Breaching a Section 60 notice constitutes an offence and is likely to result in court action.

If you wish formal consent to work at specific times or on specific days, you may apply to the Council's Environmental Health Officer under Section 61 of the 1974 Act. Any such application should be submitted after you have obtained your Building Warrant, if required, and will be considered on its merits. Any decision taken will reflect the nature of the development, the site's location and the proximity of noise sensitive premises. Please contact env.health@highland.gov.uk for more information.

Protected Species - Halting of Work

You are advised that work on site must stop immediately, and Scottish Natural Heritage must be contacted, if evidence of any protected species or nesting/breeding sites, not previously detected during the course of the application and provided for in this permission, are found on site. For the avoidance of doubt, it is an offence to deliberately or recklessly kill, injure or disturb protected species or to damage or destroy the breeding site of a protected species. These sites are protected even if the animal is not there at the time of discovery. Further information regarding protected species and developer responsibilities is available from SNH: www.snh.gov.uk/protecting-scotlands-nature/protected-species

Building Regulations

Please note that Building Regulations and/or a Building Warrant may be applicable to some or all of the works described in this decision notice. You must check with the Council's Building Standards service prior to work commencing to establish what compliance or approval is necessary. If a warrant is required, you must not commence work until one has been applied for and issued. For more information, please contact Building Standards at BuildingStandards@highland.gov.uk or on 01349 886608.

Land Ownership/Planning Permission

For the avoidance of doubt, the existence of planning permission does not affect or supersede an individual's ownership or other legal rights. Please be advised that this permission does not entitle you to build on, under or over ground outwith your ownership or to enter private ground to demolish, construct or maintain your property.

Accordance with Approved Plans & Conditions

You are advised that development must progress in accordance with the plans approved under, and any conditions attached to, this permission. You must not deviate from this permission without consent from the Planning Authority (irrespective of any changes that may separately be requested at the Building Warrant stage or by any other Statutory Authority). Any pre-conditions (those requiring certain works, submissions etc. prior to commencement of development) must be fulfilled prior to work starting on site. Failure to adhere to this permission and meet the requirements of all conditions may invalidate your permission or result in formal enforcement action.

RIGHT OF APPEAL, REVIEW ETC

1. If the applicant is aggrieved by the decision of the planning authority: to refuse planning permission for the proposed development; to refuse approval, consent or agreement required by a condition imposed on a grant of planning permission; to grant planning permission or any approval, consent or agreement subject to conditions; the applicant may require the planning authority to review the case under section 43A of the Town and Country Planning (Scotland) Act 1997 (as amended) **within three months** beginning with the date of this notice.

A Notice of Review Form can be downloaded at https://www.highland.gov.uk/downloads/file/6396/notice_of_review_form and any supporting documents can be submitted by email to Review.Body@highland.gov.uk or sent by post addressed to:

Highland Council Review Body
eProcessing Centre
Council Headquarters
Glenurquhart Road
Inverness
IV3 5NX

Please quote the relevant application reference number with any submission.

Please note that a completed Notice of Review Form (and any supporting documents) **MUST** be received by the Review Body **within three months** beginning with the date of this decision notice otherwise the decision cannot be reviewed

2. If permission to develop land is refused or granted subject to conditions, whether by the planning authority or by the Scottish Ministers, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by carrying out of any development which has been or would be permitted, the owner of the land may serve on the planning authority a purchase notice requiring the purchase of the owner of the land's interest in the land in accordance with Part 5 of the Town and Country Planning (Scotland) Act 1997 (as amended).
